

Ways to Participate

Want to get involved? Here is a list of ways that you can take part in this Advance.

Here are several ways you can be involved in the Planting Hope Campus Advance.

Financial Contributions

We need your support through financial contributions to make this project a reality. It is through your contributions that we will reach our goal of building the Place of Grace, reaching out to the community, and spreading the Gospel in the South Phoenix area. There are several ways to offer a financial contribution. Please prayerfully consider how you might plan to be a part of the Planting Hope Advance.

Weekly/Monthly Commitment

A commitment to weekly or monthly sacrificial giving towards this Advance is the first way that you can get involved. With this type of commitment, you may want to consider postponing and/or downsizing several areas of your yearly and even daily activities (i.e., postponing major purchases, sacrificing your entertainment budget, downsizing and/or sacrificing vacations, etc).

Annual Gift

An annual commitment towards this Advance could involve a gift given at a specified time of the year when you receive expected or unexpected additional income. This may include gifts made from tax returns, bonuses you receive at work, sale of assets, etc.

Single Gift

If you prefer, you could contribute a one-time gift towards this Advance. This type of gift could include a one-time financial gift, transfer of stocks/bonds, transfer of real estate, etc.

Partnership Program

This program will outline the bottom-line cost for the individual items to be purchased during the project, e.g., church pews, playground areas, and several other specified items. Through this program, you may contribute directly towards partial or complete purchases of a specified item.

Prayer Commitment

Regardless of your financial contribution, we ask that you commit to praying for this Advance on a regular basis. We believe that it is God who will ultimately provide us with a place to reach, teach, and equip His people and a lost world. We must seek His wisdom and guidance through prayer throughout this entire endeavor.
