

Women's Ministry

The vision of the Women's Ministry is to develop women spiritually and relationally through sound biblical teaching by proclaiming: a high view of God, a commitment to the authority of Scripture, understanding the purposes of the church, godly qualified leadership, and an accurate view of man.

To minister to the ladies spiritually and physically, we are beginning with a Mary/ Martha approach from Luke 10:38-42. Mary sat at the feet of Jesus to listen and drink in the precious words that fell from His lips. Martha was known as the one who served the needs of Jesus and His disciples.

There are numerous opportunities to serve the needs within the church family that contributes to the body's health, life and extension of the kingdom of God.

Our prayer for the Women's Ministry is that lives would be changed by the power of the Holy Spirit through the Gospel of Jesus and by our gracious heavenly Father who loves us immeasurably.
