

Worship Ministry

The purpose of the worship ministry is two-fold:

The primary purpose of the worship ministry is to lead God's people in adoring praise to our triune God (*Ps.2*) with songs, hymns, and spiritual songs (*Col.3*). The second purpose of the worship ministry is to empower members of the fellowship whom God has gifted with talents both vocally and instrumentally to employ those talents to His glory and the edification of His church (*1 Cor.12*)
